

**Step 4:** Made a searching and fearless moral inventory of ourselves

**Tradition 4 (long form):** With respect to its own affairs, each A.A. group should be responsible to no other authority than its own conscience. But when its plans concern the welfare of neighboring groups also, those groups ought to be consulted. And no group, regional committee, or individual should ever take any action that might greatly affect A.A. as a whole without conferring with the Trustees of the General Service Board. On such issues our common welfare is paramount.

**Concept IV (short form):** Throughout our structure, a traditional “Right of Appeal” ought to prevail, so that minority opinion will be heard and personal grievances receive careful consideration.
